Description:

The Mitherfickers are back and ready to bring the fight to the Shimigami. But before they can do that, they need an audience with the Knights of Non Compos Mentis, the most powerful guild in Tritania. Luckily for them, Ryuk used to be a member of the famed guild, and to get to the guild

headquarters, they'll need to level up and figure out a way into a city heightened tight security. Along their journey to Polynya, the second floating continent of Tritania, the Mitherfickers are joined by a high elf, whose village is being terrorized by a big bad wolf. High jinks and violence ensues as they attempt to rid the village of this wolf, the results of which end up opening their guild to new members from a different Proxima world, something Hiccup the goblin isn't too happy about. Things heat up after the motley guild adventure through the catacombs beneath the city of Porthos, where they are framed for attempted murder and placed in the Empress' dungeon. With no way out, one of the Mitherfickers reveals a secret the likes of which will change the guild's standing in Tritania forever. In Tokyo, evil Kodai gets a new android and plans his revenge against his younger brother, Ryuk. He also plots his revenge within the online world of Tritania, guiding the new members of the Shinigami as they wreak havoc on the city of Porthos.

An easy review. This novel is as entertaining, funny, and action packed as the first. With the group reeling at sudden and unexpected betrayal at the end of book 1. Ryuk his team mates work to get to the next island Polynya and try to figure out what's happening with the main character's doppelganger. If you liked book 1, book 2 has more of the same crazy antics. I will note that I really like the audiobook version of this series more than the e-book version. The narrator, Jeff Hays, adds another level of humor with his voice work. Score: 7 out of 10

Fantasy Online Polynya: A LitRPG Saga (Volume 2) in Science Fiction and Fantasy pdf books

Fantasy Online Polynya: A LitRPG Saga (Volume 2)

Books with a saga to life, multi-dimensional lesbian heroine are still sadly hard to come by, it seems, but Kessler's Online certainly tries to change that. When we got to (Volume halfway through this book we learn more about Helen in a surprising way which puts an entirely new slant **LitRPG** Helen. I had a hard time putting it down because I wanted Polynya: know what was going to happen next. This family in the story was perfect. Extremely cute and Fantasy. 745.10.2651514 it pretty much tell you stuff you already know. This is a philosophical work by a Native American disguised as an autobiography. Everyone could benefit. She does not write common stories you can fit into a nice, neat box. It is quite possibly the greatest and most memorable work of fiction ever written. Its clear the profession needs a way to help advertisers see how they can help their clients, feel good about their profession, and actually make the world a better place. Drawing on the Hebrew language, Morris is very detailed in his study of each word that may have more than one interpretation.
